Land of the Wanderers

**Kazakhstan Tour Presentation by
Dook International LLC**

ALMATY, Kazakhstan

Kazakhstan is very rich in cultures, has abundant breathtaking landscapes. The new and ultra modern city of Astana is the new capital of Kazakhstan whereas Almaty is the former capital and often dubbed the cultural capital of Kazakhstan. It exhibits indomitable spirit from wild horses that symbolize nomadic freedom to the rapidly growing vibrant cities. Typically, Almaty Tour Package from India would cover all the essence of Kazakhstan and its richness of all sorts. Anyone who has visited Kazakhstan has had their notions shattered.

ALMATY, Kazakhstan

Unlike what many perceive a "stan" country to be, Kazakhstan is a very modern, liberal, tourist-friendly and a democratic nation! In recent times Almaty tours have emerged as a European Holiday Package in many ways, but for a fraction of the cost.
